

Applications	Product	Available Grades	Comments
All Bearings	Medallion™ FM Grease	NLGI 0,1, 2	Highly water-resistant white grease for bearings and bushings Excellent wear protection under high load NSF H-1 and Kosher
Gearboxes	Medallion™ FM Gear Oil	SAE 80W-90, 85W-140 ISO 680, 1000	Adhesive Good water separation characteristics NSF H-1 and Kosher
Hydraulics	Medallion™ FM Hydraulic Oil	ISO 32, 46, 68, 100, 150	Based on severely hydrotreated oils for long life and low deposits ISO 32 grade can be used in air line lubricators NSF H-1 and Kosher
Chains	Medallion™ Penetrating Chain Oil	ISO 32 (single grade for all applications)	For chains and general lubrication Also available in aerosol and non-aerosol spray cans NSF H-1 and Kosher (not Kosher when sold in spray cans)
Air Compressors	Medallion™ Synthetic Air Compressor Oil	ISO 32, 46, 68, 100	Fully synthetic PAO oil for all air compressor types Long life and low deposits NSF H-1
Tight-Fitting Components	Medallion™ White Anti-Seize	NLGI 1.5	Anti-seize compound (assembly paste) Can also be used as a lubricant in bushings and sliding applications Not for roller or ball bearings NSF H-1

The Whitmore Group, consisting of The Whitmore Manufacturing Company, KATS Coatings, Horizon Lubricants, and Air Sentry, is a leader in creating component protection technology through the manufacturing of specialized lubricants, coatings, sealants, and contamination control breathers with broad product application for a variety of industries.

Since our beginning in 1893, relationships with customers, OEMs and our Distributor partners have helped maintain our reputation for quality products, dependable service, and an attention to customer satisfaction. Whitmore's family of quality products and services are sold around the world through a service-intensive distribution network committed to technical support and total customer satisfaction. Customers in a variety of industries choose Whitmore products for two simple reasons: the products are designed and manufactured to high quality standards, and they are available at a fair market value.

Whitmore's Rockwall, Texas facility includes a fully integrated manufacturing plant, state-of-the-art research center, training facility, and corporate offices. Well-trained and competent employee-owners work at every level of the operation.
